Terms and conditions

The Wellness Engagement Incentive program applies only to fully insured businesses.

Please refer to your Certificate of Coverage/Insurance or Summary Plan Description for additional information. The Wellness Engagement Incentive program is effective for policies issued or renewed on or after January 1, 2017, and is subject to change with prior notice. Humana will provide notice to groups in advance of the effective date of any changes. The Incentive for each policy month is determined on or before the 15th of each subsequent policy month. The Incentive is applied as a credit on the monthly medical premium statement. Humana is not liable for monetary penalties or fines, or other state or federal regulatory action taken against the employer for failure to comply with any applicable federal or state law. See your policy for eligibility. Void where prohibited.

Go365 is not an insurance product. If it is unreasonably difficult due to a medical condition for certain eligible employees to achieve the standards for the rewards under the Go365 program, or if it is medically inadvisable for them to attempt to achieve the standards for the reward under this program, please call your Humana representative and we will work with you to develop another way to qualify for the reward.
