

2021 Summary of Benefits and Coverage (SBC) Tool Steps

No Login Requirements!

Login information is not required to access the new **2021 Summary of Benefits and Coverage (SBC) tool**. Use the link provided to the right or continue to use **Blue Access for EmployersSM** or **Blue Access for ProducersSM**.

Steps to use the NEW SBC Tool	
Step 1:	Click on the Order basket if you are requesting 2021 metallic SBCs. (Continue to use the current SBC Tool to access 2020 metallic and Blue Balance Funded SM SBCs.)
Step 2:	It's not a required field but you will get the best results when you add the seven-digit Plan ID at the top of the page. <ul style="list-style-type: none"> Identify your State and market segment Click "Search" Please Note: SBCs are currently only available in English.
Step 3:	Available SBCs will appear under the "Results" section. If the seven-digit Plan ID was not included in the search, a full list of 2021 small group benefit plans will appear under the "Results" drop down tab. <ul style="list-style-type: none"> Select your requested SBC and click "Next".
Step 4:	Identify the required plan effective dates. "Coverage for" will default to Individual/Family Click "Next".
Step 5:	Review the proof carefully. Check to make sure the correct effective dates and coverage is populated on page 1 of the PDF in the upper right corner. Click the "Print on Site" button to download and save the SBC.
Step 6:	Close the PDF pop-up window to complete your SBC request.
