2022 Small Group Plans

More Value. More Choice.

2022 Small Group Plans

The 2022 Blue Cross and Blue Shield of Illinois (BCBSIL) Small Group Portfolio is available from January 1 until December 31, 2022. All our plans offer features and benefits designed with members' health and wellbeing in mind. We're making access to care even easier with more digital options for medical visits and wellness programs. **Here are the highlights of our 2022 Small Group portfolio.***

New in 2022

Digital Options to Expand Access to Care

Digital capabilities are key to expanding access to care and staying well. That's why we're expanding these new healthy living programs and services to new and renewing small groups in 2022. It's just one more way we can help employers get more value for their health care dollars and keep their employees and business healthy.

- **Hinge Health** helps members manage chronic back, hip, shoulder, neck and knee pain through personalized online exercise therapy and unlimited one-on-one virtual coaching.
- **Livongo® for Diabetes and Livongo for Hypertension programs** offer personalized online coaching support for members. They will have access to a mobile app and website to help them track their progress, learn to make healthy lifestyle choices and manage their medications.
- **Wondr™ Health** is a 52-week, online program that helps members lose weight and improve their health through smart eating for the real world.

Mental Health

We have a strong commitment to the health of our members, and mental health is an important part of our approach. Compassionate case managers, utilization management, specialty programs and member and provider support are all part of the mental health benefits (called behavioral health) that come standard with every small group plan.

Beginning in 2022, **Digital Mental Health** by Learn to Live will also be included at no extra cost with each new or renewing small group plan. Members can use Blue Access for MembersSM (BAMSM) to easily access private, online programs to help keep their mental health on track through:

- **Support** – an online assessment helps members pinpoint helpful programs.
- **Quick, easy online lessons** – give members access to proven therapy-based techniques.
- **Expert coaches** – to guide and inspire members to reach their goals.
- **Privacy** – personal results, programs and messages are always private.

*Availability may differ between PPO and HMO. Talk with your BCBSIL sales representative to learn more.

Their Trusted Benefits and Services Are Here to Stay

Virtual Visits/Telehealth

The Doctor Is in – Your Phone or Computer

Convenient, safe access to health care has never been more important. That's why we make care available through our in-network telehealth providers or through Virtual Visits powered by MDLIVE®. We're making it easy for members to prioritize their health. They can save time and money and get the care they need wherever they are.

What's Telehealth?

Telehealth is a kind of health care delivery that lets members consult with their own doctors by telephone or secure video. Their in-network, BCBSIL doctor can evaluate, diagnose and treat them remotely without the need to travel to the doctor's office. Doctors can even send an e-prescription to the member's pharmacy of choice.

What are Virtual Visits?

Virtual Visits provide 24/7 access to consultations with board-certified doctors from virtually anywhere. This is helpful when the member's BCBSIL provider is closed, or when the member is traveling.

Encourage members to make sure their doctors can provide consultations by phone or secure video.

	Telehealth	Virtual Visits

Doctors can send e-prescriptions to local pharmacies	X	X
Consultations are available by phone, secure video or mobile app	X	X

\$0 Copay for Preventive and Maintenance Drugs is Back in 2022

Employers can choose from select Health Savings Account (HSA) compatible plans with the \$0 member cost-share for certain preventive and maintenance drugs built right into their pharmacy benefits. This supports members' treatment plans, helps keep medical conditions under control and keeps costs low for everyone.

Boost Their Benefits with Ancillary Plans

We understand that competitive benefits are essential to helping employers attract and retain a talented workforce. That's why we've combined our medical coverage with some of the most popular ancillary benefits. Offering ancillary benefits alongside medical coverage can help employers protect their employees' physical and financial wellbeing while providing them with peace of mind. Talk with your BCBSIL representative to find out how you can boost your groups' medical benefits with any of these ancillary options:

- BlueCare DentalSM
- Life Insurance
- Short- and/or Long-Term Disability
- Accident and Critical Illness
- Vision
