2023 Small Group Plans

The 2023 Blue Cross and Blue Shield of Illinois (BCBSIL) Small Group Portfolio is available from January 1 until December 31, 2023. All our plans offer features and benefits designed with members' health and wellbeing in mind. [Here are the highlights of our 2023 Small Group portfolio.*](#)

New in 2023

Members May Earn Cash Rewards

Our **Member Rewards program**, administered by Sapphire Digital, uses Provider Finder® to help members:

- Compare health care costs and quality
- Estimate out-of-pocket costs
- Make treatment decisions with their doctors

When members choose low-cost, reward-eligible options for procedures and services, they **may earn cash rewards** and save on their – and their employers' – health care costs.

Now It's Even Easier to Boost Benefits With Ancillary Plans

Robust, competitive benefits are essential for employers to attract and retain a talented workforce. That's why we've combined our medical coverage with some of the most popular ancillary benefits. And now, quote vision for two or more lives with medical only or with medical and other ancillary benefits. Beginning in 2023, you can use eSales Tools to add vision, accident and critical illness benefits to complement your new group quotes for medical, dental, life and short-term disability plans. So, go ahead. Boost your groups' benefits with ancillary options.

Complimentary Programs Help Members Take Control of Their Health

We're empowering members to take control of their health through complimentary programs that can help them save money and prevent certain types of health conditions. Putting the power of wellness in members' hands can also help employers lower costs by reducing doctor visits and hospitalizations. Here are a few of the advantages your clients have – just for being BCBSIL members:

Blue365®

With Blue365, employees save money on health and wellness products and services from top retailers not covered by insurance. There are no claims to file and no referrals or preauthorizations. All they need to do is sign up to have weekly featured deals emailed to them by retailers like EyeMed, TruHearing®, Nutrisystem®, Reebok, Fitbit® and more.

Hinge Health

Hinge Health is a digital musculoskeletal program led by physical therapists and health coaches. Members can participate in the comfort of their own homes – at no extra cost.

Livongo®

Livongo's personalized diabetes management program helps members improve glycemic control by understanding their blood sugar levels and developing healthy habits. The hypertension program supports members who have high blood pressure with a connected blood pressure monitor and support from expert health coaches to monitor their conditions.

Wondr™

Wondr is an online, digital weight-management program that teaches members science-based skills that help them lose weight, sleep better, manage stress and more.

Digital Mental Health

We are deeply committed to our members' overall wellbeing, and mental health is an important part of our approach. Compassionate case managers, utilization management, specialty programs and member and provider support are all part of the mental health benefits (called behavioral health) that come standard with every small group plan. With **Digital Mental Health**, members can use Blue Access for MembersSM to easily engage in private, online programs to help keep their mental health on track through:

- An online assessment to help them pinpoint helpful programs.
- Quick, easy online lessons that let them access proven therapy-based techniques.
- Expert coaches to guide and inspire them to reach their goals.
- Peace of mind – personal results, programs and messages are always private.

Wellbeing Management

Wellbeing Management is a complete wellness solution for a healthier workforce, delivering member-centered wellness tools and care management programs including:

- **Well onTarget® Member Wellness Portal** – Personalized wellness action plans, digital self-management programs and fitness and nutrition device integration jump start each employee's journey toward wellbeing.
- **The Fitness Program** – Supports fitness for life by offering a flexible gym network to fit members' lifestyles and budgets.
- **Blue PointsSM Program** – Members can earn and redeem Blue Points for participating in wellness activities.

Virtual Visits and Telemedicine

Providing access to virtual care is more important than ever as members seek convenience and potential cost-savings when addressing their non-emergency needs. Virtual Visits, powered by MDLIVE® and provided by BCBSIL, and Telemedicine consultations through members' primary care physicians (PCP), are conducted by phone, online video or mobile app. Whether members are traveling or just want to skip the waiting room, we have them covered.
