### SEE HOW WELL THESE COVERAGES ALIGN WITH YOUR CURRENT BENEFITS.

Unum designed dental and vision coverage to be both flexible and affordable.

You can easily add both types of coverage to your current program — and they integrate smoothly with our other benefits, too.

### CONSIDER THESE ADVANTAGES:

- ✓ **Integrated benefits**  
Take advantage of easy online administration with our other benefits.
- ✓ **Flexible funding**  
Share costs with employees to help control your overall benefits budget.
- ✓ **Employee communication**  
Provide employees with enrollment education and support.
- ✓ **Ease of administration**  
Manage employee data, coverage information and billing all online.

## UNUM DENTAL AND VISION BENEFIT PLANS ARE POPULAR WITH COMPANIES AND EMPLOYEES.

Our plans provide flexibility, choice and savings, backed by superior plan administration and excellent customer service.

- **Plan Design Flexibility:** Unum understands that employers vary widely when it comes to size, industry, geographic location, and demographics. Our plans provide the flexibility to meet diverse client needs.
- **Unum Dental:** With our broad array of standard and optional coverage, Unum can design a dental benefit plan that meets the needs of your employees whether designing a new plan or matching existing coverage.
- **Unum Vision:** We offer multiple vision plan options with a choice of two large national networks: The Unum Vision Network and the EyeMed Insight Network. Both provide in-network access to convenient, quality care by independent and retail providers, including purchasing materials online. And both offer additional discount options for more member savings.
- **Network Savings:** With Unum, employees have the freedom to choose any provider, or take advantage of our national dental and vision networks to receive negotiated pricing that reduces out-of-pocket expenses.
