All products, sub-lines and classes:

- a. New business commission applies for the first 12 months for all policies, including policies with a 6-month policy term.
- b. Renewal commission rates will apply to any policy submitted to The Hartford where the prior carrier was a subsidiary or affiliated writing company of The Hartford Financial Services Group, Inc. even if such policy is "new business," including but not limited to changes due to a re-write, change in the producer of record, or change in business segment within The Hartford.
- c. Renewal business can be processed in our systems up to 50 days in advance of the renewal effective date. Commission will be paid in full after a down payment on a policy is paid.
