Notes: N/A means that the product is not available. Renewal commission applies to rewrites. The above schedule of commissions does not apply to policies:

1. Written through underwriting pools and associations, mandatory or voluntary placement programs, assigned risk plans or under a rating plan contemplating special commissions or a special method of computing or paying commissions.
2. When a different commission is mutually agreed upon in writing.
3. Written to cover locations or exposures outside of your home state. In such case, the standard Commission Schedule for that state applies.
4. Written in the Benefits Plus program.
