

This chart shows the benefits included in each of the standard Medicare supplement plans. Every company must make Plan “A” available. Some plans may not be available. Only applicants first eligible for Medicare before 2020 may purchase Plans C, F, and High Deductible F.

Blue Cross and Blue Shield of Illinois does not offer those plans shaded in gray below.

- ¹ Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,950 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.
- ² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.
- ³ Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.
- ⁴ Medicare Select Plans require that you use Blue Cross and Blue Shield of Illinois contracting Medicare Select hospitals for non-emergency admissions to receive coverage for the Medicare Part A deductible. In an emergency, the \$1,736 deductible is covered at any hospital from which you receive care. Only certain hospitals are network providers under this policy. Check with your physician to determine if he or she has admitting privileges at the network hospital. If he or she does not, you may be required to use another physician at time of hospitalization or you will be required to pay for all expenses. If you move out of the service area or out of state for this Medicare Select Plan, there will be a reduction of benefit coverage and you will have the opportunity to purchase any Medicare Supplement policy with comparable or lesser benefits offered by the insurer, or Medicare Supplement/Select plans A, B, C, D, F, G, K, or L from any insurer within 63 days of termination. (Note: Plans C and F are no longer available to people new to Medicare on or after January 1, 2020. However, if you were eligible for Medicare before January 1, 2020, but not yet enrolled, you may be able to buy Plan C or Plan F. People new to Medicare on or after January 1, 2020, have the right to buy Plans D and G instead of Plans C and F.)

You have the option to purchase any of the Medicare Supplement benefit plans shown on the front cover in white as Standard Plans or as Medicare Select Plans, with the exception of Plan A, High Deductible Plan F¹, Plan F Plus, High Deductible Plan G¹, High Deductible Plan G Plus¹, and Plan N Plus. Those plans are available as Standard Plans only. Medicare Select Plans require that you use Blue Cross and Blue Shield of Illinois contracting Medicare Select hospitals for non-emergency admissions to receive coverage for the Medicare Part A deductible. In an emergency, the \$1,736 deductible is covered at any hospital from which you receive care. Only certain hospitals are network providers under this policy. Check with your physician to determine if he or she has admitting privileges at the network hospital. If he or she does not, you may be required to use another physician at time of hospitalization or you will be required to pay for all expenses. If you move out of the service area or out of state for this Medicare Select Plan, there will be a reduction of benefit coverage and you will have the opportunity to purchase any Medicare Supplement policy with comparable or lesser benefits offered by the insurer, or Medicare Supplement/Select plans A, B, C, D, F, G, K, or L from any insurer within 63 days of termination. (Note: Plans C and F are no longer available to people new to Medicare on or after January 1, 2020. However, if you were eligible for Medicare before January 1, 2020, but not yet enrolled, you may be able to buy Plan C or Plan F. People new to Medicare on or after January 1, 2020, have the right to buy Plans D and G instead of Plans C and F.)

PREMIUM INFORMATION

Blue Cross and Blue Shield of Illinois can only raise your premium if we raise the premium for all policies like yours in the state. We will not change your premium or cancel your policy because of poor health. Premiums change at age 65 and every year thereafter up to age 100. If your premium changes, you will be notified at least 30 days in advance.

Gender

One factor that will determine your premium is your gender. When completing the application, you will need to make a gender selection.

Tobacco User

A Tobacco User is a person who is permitted under state and federal law to legally use Tobacco, with Tobacco use (other than religious or ceremonial use of Tobacco) occurring on average of four or more times per week that last occurred within the past six months. QUALITY ASSURANCE

As part of our Quality Assurance program, all contracted hospitals must meet Medicare standards.

In addition, hospitals must meet the contract criteria stated in the Hospital Agreement.

Each hospital must: agree to maintain its state licensure; agree to maintain its Blue Cross and Blue Shield of Illinois Plan Hospital status; agree to maintain its Medicare participating status; be accredited and maintain its accreditation by the Joint Commission on the Accreditation of Healthcare Organizations (JCAHO) or the American Osteopathic Association (AOA); and agree to waive the Part A deductible.

MEDICARE SELECT HOSPITAL RESTRICTIONS

Plans F, G, G Plus, K, L and N are Medicare Select policies currently available if you live within 30 miles of a Medicare Select hospital. Part A benefits may be restricted if you receive services in a hospital that is not a Medicare Select Hospital. NOTE: HCSC only offers the Medicare Select option on Plans F, G, G Plus, and N.

The full benefits of your coverage, excluding Plan K & L coinsurance, will be paid anywhere if:

1. Services are provided in a Doctor's office, another office setting, or in a skilled nursing facility;
2. The services are for symptoms requiring emergency care or are immediately required for an unforeseen illness, injury or condition and it is not reasonable to obtain such services from a Medicare Select Hospital (such as while you are traveling); or
3. Covered services are not available through a Medicare Select Hospital.
